Mission :

Our mission is to provide with the best quality products to our customers at the lowest price. Leather and fabric manufactured in Pakistan is of top ranking, we use it in manufacturing gloves, coverall and shoes to facilitate customers with the maximum quality.

Many workers died because of the lowest quality or non availability of the safety products therefore we are trying to minimize the ratio and providing our customers high quality products with the lowest price guaranteed.

Vision :

Our vision is to acquire and maintain global leadership position in the chosen area of the business. Our vision is to continuously create new opportunities for growth in our strategic business.

Our vision is a declaration of goals for the mid-term or long-term future, ranging from one line to several paragraphs, and identifies the company would like to achieve or accomplish, it provides the inspiration for the daily operations of a business and molds its strategic decision and Iso must have a level of excitement and motivation to it.

Work Wear Uniforms :

We have our own fabric and dying source . 100% cotton twill poly cotton twill and F.R treated OUR MAIN FABRIC We produce all type of work wear uniforms and we can produce monthly 100000 pcs work wear.

We used all let us technology new model computerized swing machines.

American Safety PVT Limited is a company that produce international level coverall and export it worldwide. Coverall comes under a name of American system and is registered with more than four countries. We have hired professional experts and use latest machinery to maintain the quality of the product.

We use good quality fabric with multiple colors that are not fade away by many washes

About Us :

American Safety Manufacture Company is a professional industrial safety product manufacturer and supplier, which was established IN 1997 . It is our great pleasure to introduce ourselves as one of the region's leading suppliers of safety product such as an industrial leather gloves, work wear garment and safety shoes.

We are located in KARACHI export processing zone [duty free zone] Which far from sea port 15k.m & 20k.m from KARACHI international air port only.

We are sealing 1million[1000000] pcs work wear garment and 200000 pairs safety shoes as well as.

More then 120000 doz pairs of gloves of split leather and 100000 doz pairs sheep goat and cow grain leather gloves.

Our annual turn over is 60 million u.s\$ We have more then 500 workers we have international registered famous brand prime captain and of work wear safety1stsafety for hi visible jacket and parka power toll for leather gloves worker for shoes and AMERICAN safety for shoes and gloves.

Our specialty of safety products confirm to all leading TUV and EN certificate as per EN standard.

Welcome to all our valuable customers to our company for discussions on any business or corporation.

Leather Gloves :

We are Specialised in all types of working and industrial leather gloves, and we have 2 tanneries in KARACHI.

We are also specialized in welder safety apparels welder apron sleeves leg guard shoe cover .

Welder gloves driving gloves mechanical glove all type of leather industrial glove are our main product .

Safety Shoes :

We produce P.U injection shoes we have 2 production line and per day we can produce 2000 pair. We use good quality buffalo and cow grain or split leather most of shoes leather we produce in our tannery
